

FY 2020 Trailer Appropriation

Department: Public Schools Support Program

Division: Division of Teachers

Description: Trailer Appropriation for House Bill 153

Sponsors: Amador, Raybould,
Toone, Ward-Engelking

1. Background:

House Bill 153 increases salaries in the first three cells of the residency rung on the career ladder, including increasing starting teacher pay. The salary increases would be implemented over a two-year period. Section 1 of the legislation amends Section 33-1004B, Idaho Code, effective July 1, 2019, through June 30, 2020, increasing salaries across the residency rung on the career ladder. Section 2 of this legislation implements the second year of the residency rung increases, moving the starting base salary to \$40,000. The amendments in Section 2 are effective July 1, 2020. The action below includes the addition of \$3,796,200 in FY 2020, of which \$3,179,900 is for salaries and \$616,300 is for benefits costs.

2. Action for the Division of Teachers:

Fund	Type	OT	FTP	PC	OE	CO	TB	LS	Total
GENERAL			0.00	0	0	0	0	\$ 3,796,200	\$ 3,796,200
Total			0.00	0	0	0	0	\$ 3,796,200	\$ 3,796,200

3. Motion:

a. Motion:

I move for the Teachers Division of the Public School Support Program, in addition to any other appropriation provided by law, the addition of \$3,796,200 for fiscal year 2020.

b. Discussion: House Bill 153 has passed both bodies and is heading to the Gentleman on the Second Floor. This motion provides funding to increase starting teacher pay in Idaho beginning in fiscal year 2020. There is also an estimated fiscal impact of \$7.6 million in fiscal year 2021, but that funding will be requested next fall when the Superintendent submits her budget request for fiscal year 2021.
